RE: MUR 3774
Coalitions for America, Inc.

Dear Mr. Harrison:

On February 2, 1996, the Office of General Counsel sent you a letter requesting you to clarify certain responses by your client, Coalitions for America, Inc., to the Commission's Subpoena to Produce Documents and Order to Produce Written Answers in the above referenced matter. The letter also requested you to provide documents that were not produced. We asked you to provide the requested information by February 20, 1996. To date, we have received no response. This afternoon, I attempted to contact you to ascertain whether you intended to respond and was informed by your secretary, Jackie, that you were out of town and would not be in the office until next week. She informed me that you frequently phoned in for messages and said she would advise you I had called.

The requested information is essential to full compliance with the Commission's Subpoena and Order. While we wish to resolve this matter without having to resort to seeking subpoena enforcement in federal court, we may have no other recourse if we do not hear from you. Accordingly, please contact Lisa Klein, the Assistant General Counsel supervising this matter, at (202) 219-3400 by close of business Monday, February 26, concerning your submission as I will be out of the office that day.

Sincerely,
